ELM VOL VII

THE LOGAN ELM, NEAR CIRC

EVILLE

...with its outstretched boughs and majestic stature, this tree represents the student. Every student has a great desire to be the best in his chosen field, be it science, agriculture, home economics, or sports. This tree has the same desire--only in a different sense. The tree wishes to be the straightest, tallest, and most beautiful tree in all the world. To attain this goal, the tree reaches high for heat and light and low in the ground for water; the student reaches high in academics and common knowledge and low to be a most humble servant of God.

...it is the duty of the people at Logan Elm to pursue this knowledge and humility to the fullest degree. We of the 1967 Skandha staff have the intense desire to make this standard as high as possible, therefore we must pay homage to the tree after which our school and its ideals were founded.

For many years the class of '68 will look back on their Junior year with pleasurable memories. Our year as Juniors was filled with money making projects, and the exciting moments when we received our class rings, planned for the prom and enjoyed the results, as well as hard work and many hours of studying. Yes, those things which we learned with pleasure as Juniors we will never forget.

ACADEMICS

. . . the student body en masse!

Freshmen--awed, bewildered, confused!

Sophomores--looking forward and backward at the same time.

Juniors--accustomed to confusion, conscious of senior rings and anticipating their senior year!

Seniors--leaders of the followers, sentimental at the end, but proud to be Logan Elm graduates!

This is the student body! These are the classes!

Throughout the school year the Skandha staff has tried to recapture several precious and unforgettable moments of school life. In this Academic section, once more we hope that you will be able to experience all these fun times by these pictures.

REMEMBER WHEN . . .

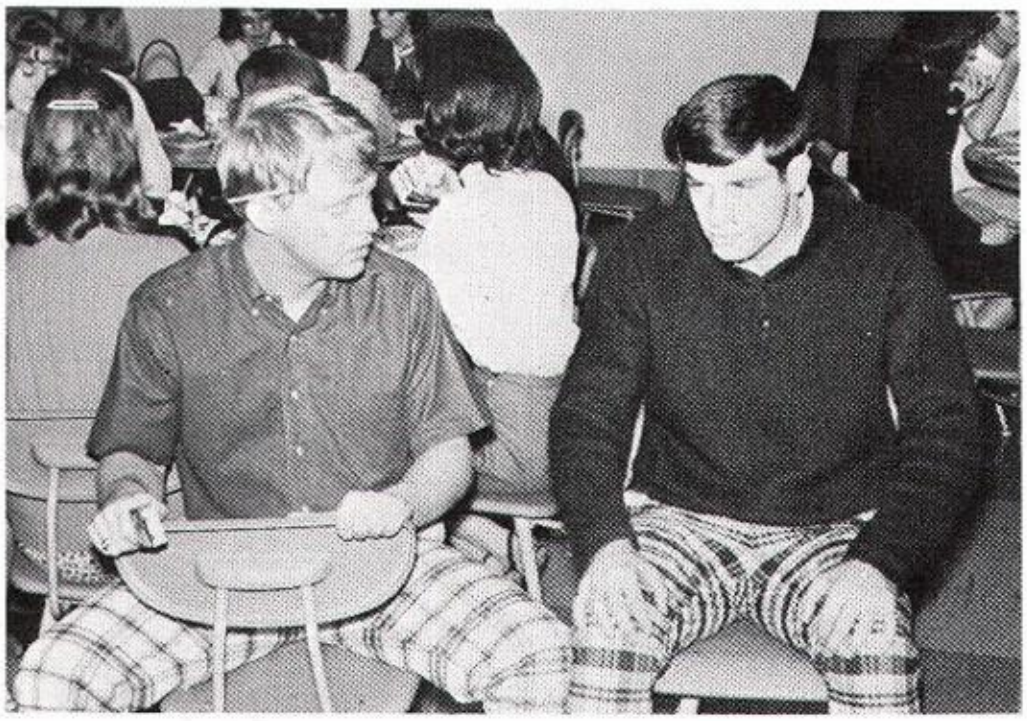
. . .the choir got a 1 in the State contest?

. . . Mr. Merrin did a soft shoe for the Seniors?

. . . the Stillwells were having family problems?

. . .Granny Ankrom bopped into the pep meeting?

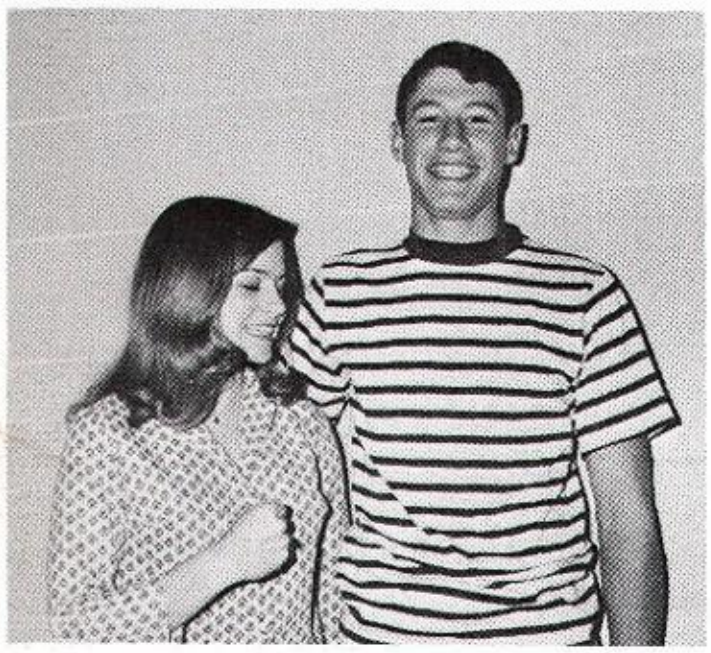
REMEMBER WHEN . . .



. . . Jim and John wore their matching madras pants?

. . . heads, SHOULDERS, KNEES, and toes were in style?

. . . the Pals had a convention?

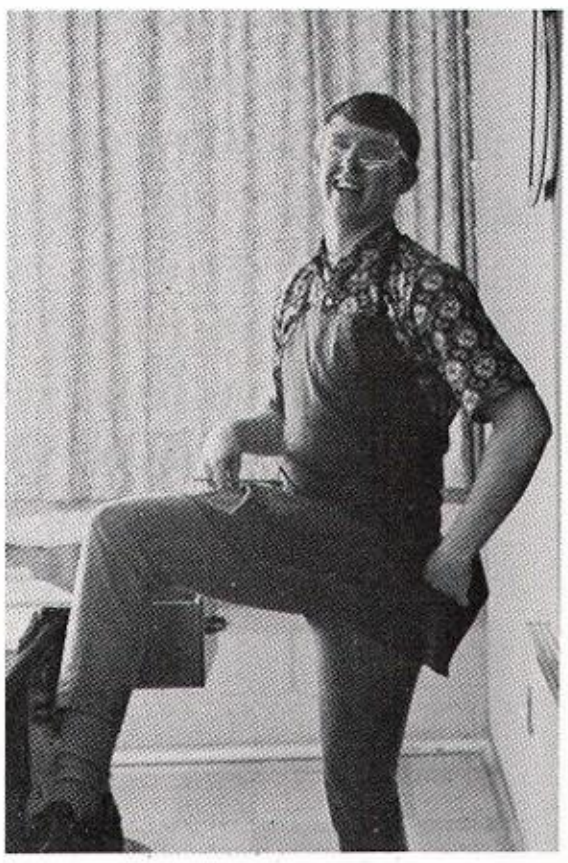


. . . Debbie got the first punch?

. . . the Juniors built Rome in a day?

. . . Bruce had 50 customers and sold one sweatshirt?

. . . the White Knight didn't show up?



. . . ballet came easier than Chemistry for Max?

SMILES

A SMILE

A smile costs nothing, but gives much
It enriches those who receive, without making
poorer those who give it.
It takes but a moment, but the memory of it
sometimes lasts forever.

None is so rich and mighty that he can get along
without it, and none so poor but that he can
be made rich by it.
It brings rest to the weary, cheer to the dis-
couraged, sunshine to the sad, and it's
nature's best antidote for trouble.
Yet it can not be bought, begged, borrowed,
or stolen, for it is something that is of no
value to anyone until it is given away.

Some people are too tired to give you a smile.
Give them one of yours, as none needs a smile
so much as he who has none to give.

FACULTY

. . . the teacher is a builder who works with the higher and finer values of civilization; a pioneer who is always attempting the impossible and winning out; and a believer who has abiding faith in the improvability of the race. He is a humble instrument in the furtherance of education.

TOP MAN ON THE TOTEM POLE

MR. HENN

TO THE STUDENTS . . .

. . . School progress for the most part means achievement - achievement scholastically, in athletics, in music and in the fundamentals which help us to gain a living and become better citizens. Schools are a mirror of the social order of which they are a part; in a democracy the public schools reflect the equality of opportunity for all children.

. . . The most important factor in the school system is the teacher. We have been fortunate in having an experienced and capable staff adequately prepared in their respective fields. Teachers must have materials and tools with which to work as well as adequate building facilities for a modern school program. The community has always arisen to the occasion, being the first to consolidate, first to construct a new high school, first to vote additional operating levies. This progressive attitude is reflected in the achievements of Logan Elm students.

. . . In state scholarship competition our students demonstrated they are better prepared than the average. In interscholastic athletics our teams have been outstanding and are feared and respected by all opponents. Every boy is given the opportunity to participate in the sport of his choice. Music, both instrumental and vocal, has become a major interest for many of our students. Our band members have added inspiration and color to many various school activities. In state competition Logan Elm band and vocal talent has been recognized as the best. Such results show that we endeavor to put into practice the lessons taught in the classrooms.

SCHOOL BOARD AND BOOSTER CLUB

The Booster Club and the Logan Elm Board of Education have many things in common. They are both composed of interested citizens of the community who are willing to devote time and hard work toward many goals and projects throughout the year. Perhaps the greatest comparison is that both of these groups have Logan Elm's student welfare in mind in whatever they endeavor. For this we all owe appreciation and gratitude to both organizations.

MISS NANCY MAY

The 1966 honor of being Junior Miss Logan Elm was bestowed upon a slender, pert brunette, Miss Nancy May. She represented Logan Elm well in the Miss Pumpkin Show Contest with her charming smile. If our girls continue in this way, L. E.'s well of beauty will never cease.

MISS PUMPKIN SHOW

MISS LOGAN ELM SENIOR

MISS PAT DAWLEY

Vivacious, beautiful, and true to tradition, Miss Pat Dawley smiled her way to Logan Elm's fifth Miss Pumpkin Show crown in 1967. Pat was chosen as the Senior Miss Logan Elm and competed with thirteen other girls from area schools for the coveted title. Best of luck to Pat in everything she attempts. We're proud she's a Logan Elm student.

MISS OHIO FESTIVALS

MISS DEBBIE ANKROM

With her warm personality and ever present smile, lovely, blonde Debbie Ankrom has begun a new monopoly for Logan Elm High School. Debbie, who was the fourth L. E. beauty to win the title of Miss Pumpkin Show, was selected as Miss Ohio Festivals at Sugarcreek in October. She succeeded Shauna Humphrey, a former Logan Elm graduate, thus becoming our second winner in this annual event. In her new role Debbie has toured several cities of Ohio and nearby states representing all of the festivals of Ohio.

REBECCA ALKIRE
Miss American Teenager

During the past several years our school has been very fortunate in the fields of beauty, poise, and personality. All of our winners rate an A+ in these categories, and we wish them great success in the future.

Neighboring schools have begun to think their contestants will never be able to break the "monotony" of this winning streak. We at L. E., with our little six-year-old winner, can surely hope that our reputation for beauty will not come to an end in the near future! Could it be the drinking water??

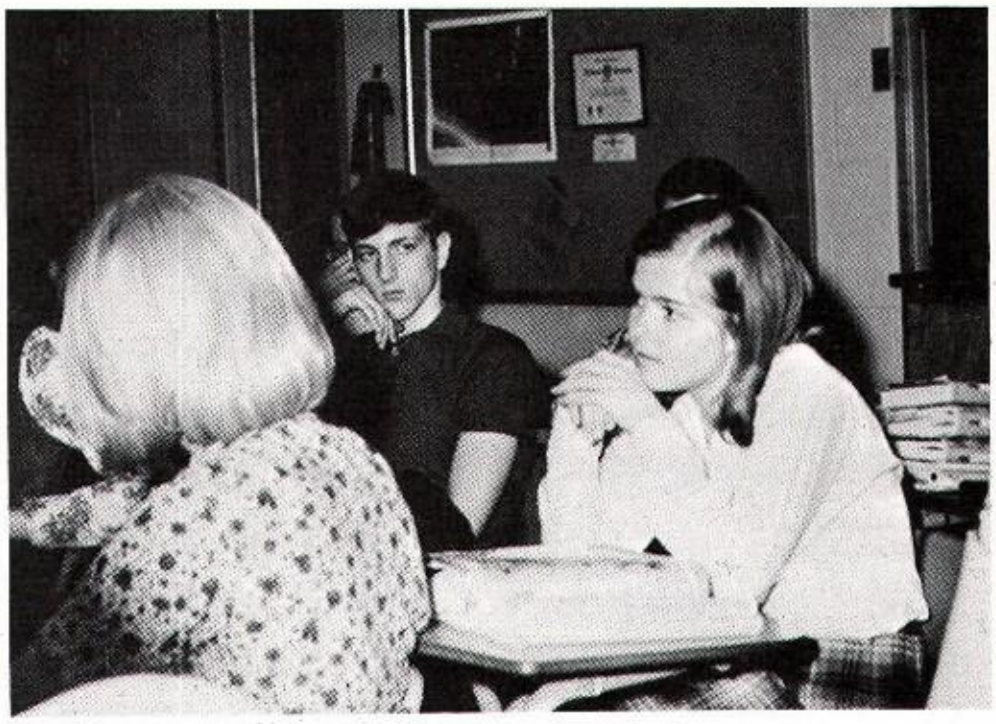
PAM LEIST, President



Jo Ellen Smalley, Junior class representative to the Student Council, relates her experiences of the Student Council Workshop which she and Max Schooley attended at Whitehall Yearling High School on March 2 and 3.

The Student Council has been an active, useful organization this year. Among its various money-making projects were the variety show, a school flag contest, and selling Logan Elm sweatshirts. The school was gay with Christmas decorations because of the Student Council's planning and work. Truly representative of the student body, this group of students bettered L. E. greatly through their leadership.

Who's Playing?

This year the bands under the direction of Mr. Robert Petty have both met with many successful experiences. The marching band performed at every home football game, adding lively color to each show. The concert band worked diligently for excellence in all musical respects, and achieved it in most. 1966-67 has been a year to remember to all those involved in the music department.

PEP CLUB — BRAVES' SUPPORTERS

"We will fight and we will win" filled the gymnasium as the L.E. fans cheered the Braves' team to another victory. This years' Pep Club has been undoubtedly the most organized and successful in the school's history. With the enthusiastic leadership of the Pep Club officers, members of the club promoted school spirit by decorating the halls with signs and supporting the cheerleaders at the games. An outstanding project of the Pep Club was a 72 foot sign reading "To the Braves, Happiness is Beating Westfall," which was displayed in the Westfall gym during the league game. Logan Elm's student body, athletes, and cheerleaders owe all the success of school spirit to the endeavors of the Pep Club.

L E L A

The Logan Elm Library Association was kept busy during the year assisting students and teachers in various library functions. They were involved with planning unique and eye catching display windows, keeping books in immaculate condition, and assuring that the library is a place to study.

The campaign tactics of several of our student librarians paid off when Richard Massie was selected Secretary of the Ohio Student Librarians Association. He along with many other Logan Elm librarians attended the Association meeting at Wilmington College in April.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association gives girls the chance to participate in physical activities, and teaches them the value of good sportsmanship. While the sophomores won the baseball tournaments, the juniors and seniors showed their skill by winning volleyball and basketball, respectively.

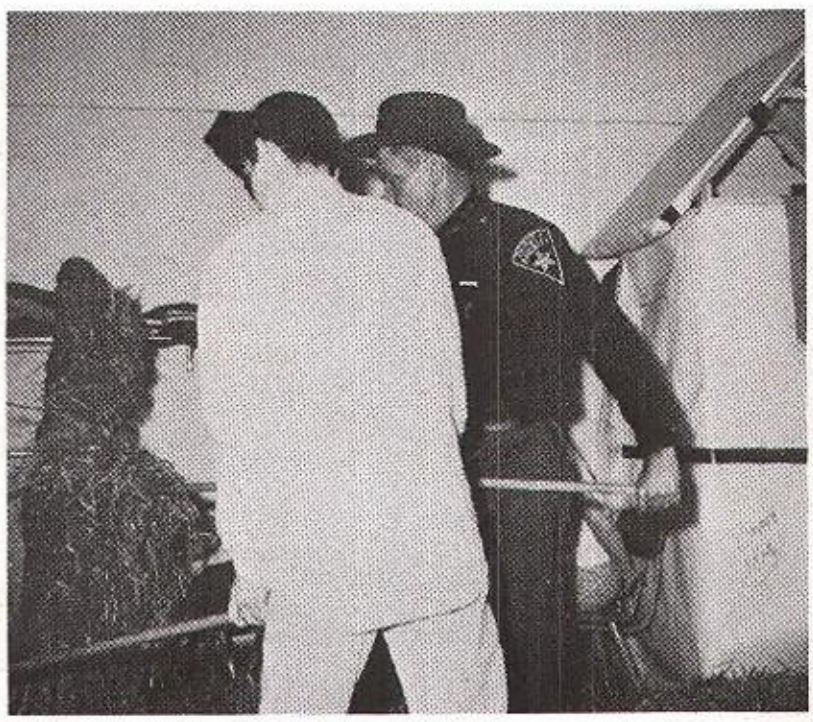
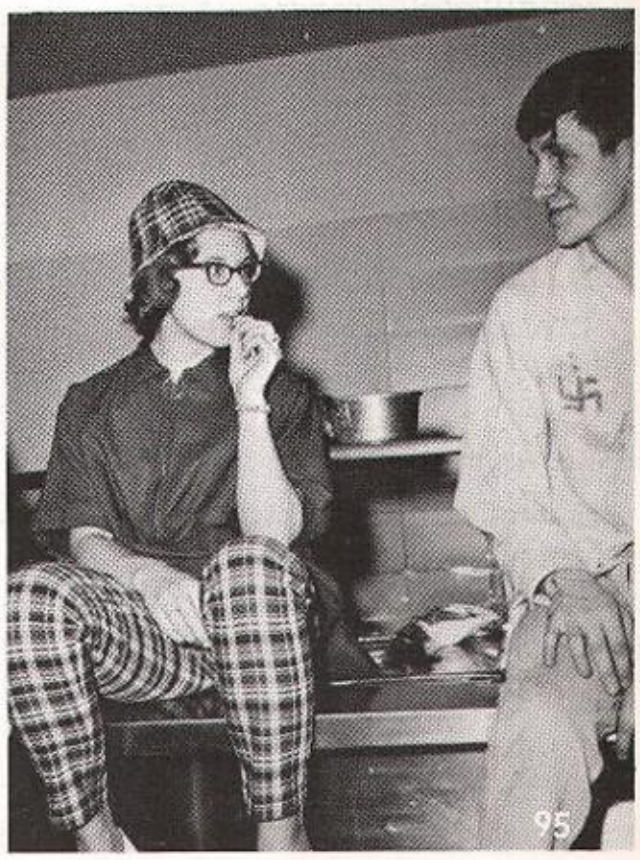
RAINBOW BALL

"Somewhere over the rainbow..." is Logan Elm High. This year for the first time a dance was held after the basketball banquet. The semi-formal event was sponsored by the Girls Athletic Association.

The theme for the evening was the "Rainbow Ball."

HOBO HOP





On the eve of the Hobo Hop the students turned out in their most elaborate garb. The best dressed lady of the evening was Queen Martha - Mrs. Poling, the Skandha advisor. Steve Fouch, the best attired gentleman of the night, was king of the hop.

The cafeteria was transformed into a Hobo Jungle to carry out the theme of the Skandha's very successful Hobo Hop.

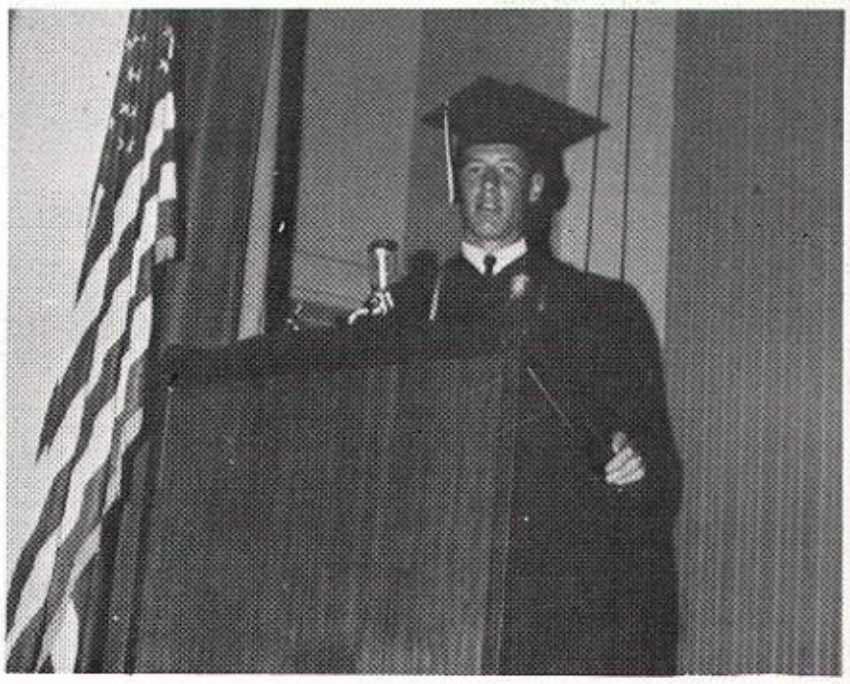
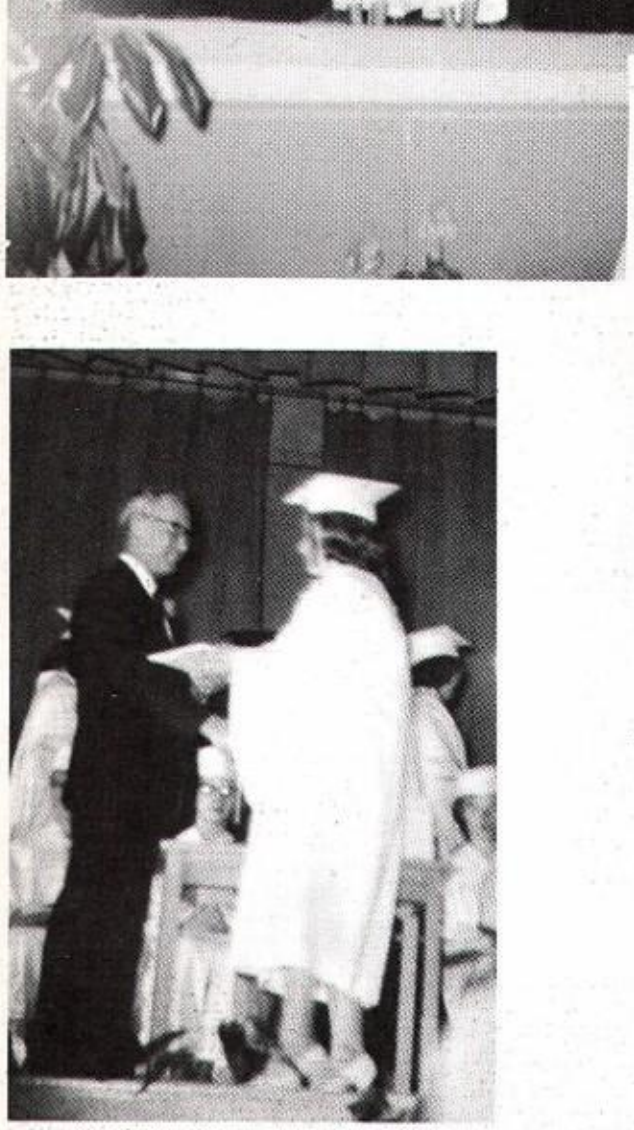
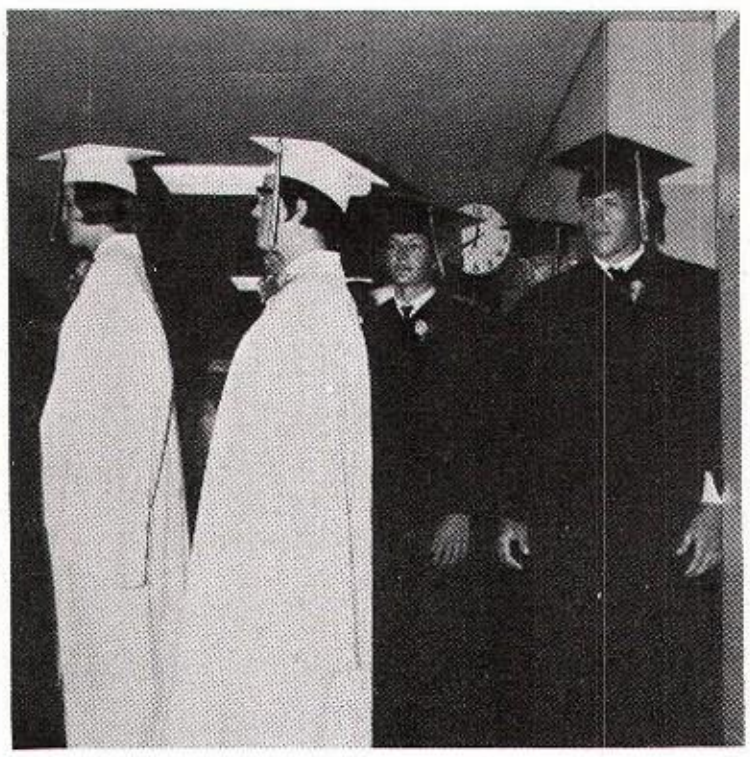
For the Seniors - "Elly Awards"

MAY 29, 1967







The fanfare to "Pomp and Circumstance" rings through the gymnasium while all heads are turned to watch the 1967 Seniors take the last walk together as a class. Commencement has begun for 71 graduates. Dr. Robert Bell, assistant Dean of Education at Toledo University, gave the address, Tom Smith gained valedictorian honors, while Paula Weaver earned salutatorian. Each Senior climaxes his high school career by accepting his diploma from Mr. Wesley Graves, president of the school board. Soon the tassels are switched to the left side and the Seniors are now alumni.

Sadness and joy are mingled with congratulations, thanks, and goodbyes. Every Senior feels in his heart what Winston Churchill expressed so well.

"It is not the beginning of the end, but the end of the beginning."

So Congratulations, Class of '67.
Best wishes for the future.

The six football varsity cheerleaders contributed much to the success of Logan Elm's victorious season. Loyalty to their team was openly displayed at the Dublin-Logan Elm game when the cheerleaders led the few daring fans in cheers during a cold, windy rainstorm. SCHOOL SPIRIT SOARS HIGH AT L.E.

VARSITY FOOTBALL CHEERLEADERS - BOTTOM TO TOP - Pat Dawley, Janie Wright, Linda Fischer, Debbie Ankrom, Ellen Fulks, Jo Ellen Smalley.

In rain, wind, or snow L.E.'s six spirit boosters could be found along the sidelines, leading the fans in cheers to the end. They started the year by holding a huge bonfire as the initial pep meeting. Each game was preceded by a humorous pep meeting skit and inspiring yells to encourage the team. Also, thanks to the help of the cheerleaders, another successful and colorful Homecoming was held.

The Braves Captured the Championship during the Christmas Tournament by defeating Zane Trace 70-59 and overpowering Laurelville 70-41. This makes the first time the Braves have won this tournament. This is a sample of the skill the ball team exhibited throughout the season.

L.E. CAGERS BACKED BY SPIRITED SIX

VARSITY CHEERLEADERS

L. to R. - Pat Dawley, Debbie Ankrom, Linda Fischer, Janie Wright, Jo Ellen Smalley, Ellen Fulks.

Clad in their bright, striking red sweaters, the L.E. Varsity cheerleaders cheered the Braves' basketball team to another victorious season. Practicing twice a week for pep meetings and new cheers is only part of a cheerleader's schedule. A cheerleader has the full time job of expressing the importance of school spirit to each individual. To the six cheerleaders at L.E., we can certainly say, "A job well done."

RESERVE CHEERLEADERS

RESERVE CHEERLEADERS

The Little Braves of Logan Elm were backed throughout the basketball season by the outgoing and vigorous Reserve cheerleaders. They displayed their snappy cheers at each game and did an excellent job of getting the crowd to yell. With yell leaders like these, L.E.'s standards of spirit are certain to continue.

The Reserve cheerleaders, along with the Varsity, celebrated the closing of the cheerleading season by eating at Presutti's in Columbus, then viewing the movie, "Hawaii."

EDITORS' PAGE

This 1966-67 school year at Logan Elm has been filled from start to finish with many Wonderful experiences. L.E. students have gained many honors, the clubs have been active and useful, and the student body has filled the halls with sounds of learning. It is the goal of the SKANDHA staff to keep these memories in one place so that they may be recalled with full pleasure each time the 1967 SKANDHA is opened.

We, the co-editors, have many people to thank. The understanding faculty, the devoted staff members, hard working salesmen and solicitors and the co-operative businessmen. They have all helped make our year-book.

It is our sincere desire that these combined efforts have produced a prized possession for the students and friends of Logan Elm High School.
